SPORTING CLAYS TO FILL BACKPACKS

About the Tournament

In 2024, our 8th year, over 150 participants had a great time. Our volunteers were praised for their efficiency, our sponsors honored at every opportunity and our shooters felt like old friends over for dinner at a shoot on a private range. That's important but even better we raised over \$34,000 for Lebanon Special School District Backpack Program

We are committed to an organized, quality tournament, good food, good fun, good friends and a good cause, to help the Backpack Program at Lebanon Special School District Family Resource Center. It's worth every drop of sweat and worry we put into it. Know this, you may arrive a stranger but you'll leave as a friend!
